

Ten Commandments Of Gun Safety

- I Treat every gun as if it were loaded**
- II Always point the muzzle in a safe direction.**
- III Be sure of your target and beyond.**
- IV Never point a gun at anything you don't want to shoot.**
- V Unload guns when not in use.**
- VI Store guns and ammunition separately.**
- VII Be sure the barrel and action are clear of obstructions.**
- VIII Never climb a fence or tree, cross a log or a stream, or jump a ditch with a loaded gun.**
- IX Never shoot a bullet at a flat, hard surface or water.**
- X Never use alcoholic beverages or drugs when handling firearms.**
